FROM THE RESIDENT KABBA PROVINCE,

To

THE SECRETARY TO THE ADMINISTRATION, ZUNGERU.

Sir,

In forwarding the final W/21 for the favour of His Excellency's approval, I beg to point out that though £84. 2. 11 has been credited to Government in excess of the tribute approved that there is still a small sum of £11. 12. 3 outstanding. This is mostly due to re-assessments. The following are the particulars:-

No. I Division.

Bunu District. The total tax credited to Government 9/- in excess of approved W/21.

Kabba District. The total tax credited to Government £18. 12. 9 in excess of approved W/21.

Yagba District. The total tax credited to Government 18/9 in excess of approved W/21.

In the Akoko District of this Division the W/21 shows 45 paying units whereas there were 46 but the total tax received by Government was £4. 2. 6 less than approved W/21, £1. 7. 6 of this being for the town of Addo which cannot be found.

Total excess for the Division £15. 18. 0.

No. II Division.

Egbirra District. The total tax credited to Govt. £3. 15/- in excess of approved W/21 and 12 paying units instead of 10.

Kukuruku District. The total tax credited to Government is £1. 9. 9 less than the approved W/21 and 30 paying units instead of 26. Five new towns have been assessed and one town (Aguti)

Total excess for the Division £2. 5. 3.

No. III Division.

Kakanda District. Total tax credited to Government £1. 0. 8 less than the approved W/21 and 6 paying units instead of 3.

Kupa District. Total tax credited to Government £1. 2. 9 in excess of the approved W/21 and 7 paying units instead of 6.

Lokoja District. Total tax credited to Government (Various) £2. 1. 11 less than the approved W/21 and 23 paying units instead of 22.

Koton-Karifi District. Total tax credited to Government £67. 19. 6 in excess of the approved W/21 and 1 paying unit instead of 4. This is due to Mr. A/R Covey's touring and re-assessments.

Total excess for the Division £65. 19. 8.

From the above it will be seen that though the total tax credited to Government is £84. 2. 11 in excess of the approved W/21 that the following arrears which I would request your Excellency to wipe off are still outstanding:-

Division.	Town	Due to Govt.	Remarks
I.	Addo.	£1. 7. 6	No trace of the town can be found. It is not mentioned in Prov. Record Book.
II.	Aguti.	6. 7. 3	The town has always before refused to pay and tribute being situated close to S. Nigeria border. This year it paid half the amount at which it is assessed.
III.	Akpo.	1.17. 6	Town unknown. Not mentioned in Prov. Record Book.

(3)

Division.	Town.	Due to Govt.	Remarks.
III.	Kelebe.	£1. 2. 0	The assessment of these towns was raised considerably this year.

I have the honour to be,
